Jesse.

This is current except for Kimberly Morse; she no longer attends the CAG due to conflict of time.

Hello Fonda:

Alex wanted to see the draft scope and the list of CAG members. I attached the scope. The last time I asked for an updated list was in September 2019. In October I received the following:

- Kimberly Morse
- Bridget Walsh
- Candi CdeBaca
- Lloyd Burton
- Drew Dutcher
- Jim Garcia
- LaMone Noles
- Christine O'Connor
- Ray Gee
- Armando Payan
- Fran Aguirre

- Mary Hernandez

However, not all the persons on the above list participate in the CAG. Our last couple of meetings were with:

- Kimberly Morse – former resident, no longer a CAG member
- Bridget Walsh – interested citizen, part of a community group around City Park
- LaMone Noles – interested citizen, part of a community group around City Park, current administrator
- Christine O'Connor – interested citizen
- Fran Aguirre – interested citizen
- Mary Hernandez – former resident
- Sandra Ruiz – resident
- Chuck Norris – interested citizen

Hi Jesse,

My name is Alex Helling, SEP Coordinator at CDPHE. Corbin Darling forwarded me your contact info. I was hoping to follow up with you from the call earlier today, separate from the broader conversation that sounds like it will be ongoing.

Specifically, It sounds like you have a lot of context on the community in the Suncor/VB-I70 area, and I'd love to discuss your experiences to help make sure the state's Suncor SEP engagement efforts are effective in targeting the right people. Would you have 30 minutes to chat sometime in the next week?

Thanks,
